*Docket 05-196*

Dear Ms. Dortch:

On January 26, 2006, Robert W. Quinn had a telephone conversation with Thomas Navin, Chief of the Wireline Competition Bureau. The discussion focused on the technical limitations and challenges associated with the provision of E911 services in the TDM and IP PBX environments. The positions taken were consistent with AT&T's prior submissions in the above-referenced proceedings.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez". The signature is written in a cursive, flowing style.
